

# Axles

A vast range

“  
...  
**your  
axles  
made to  
measure”**

Colaert

Essieux

Specialist since several decades, Colaert Essieux proposes an important range of axles. For some kind of uses, Colaert Essieux is able to produce your axles made to measure and depending of your own specification. Indeed, our technical department is at your disposal for the most specific request to reply by the best technical solution.

**We produce axles with square of 35 to 150 mm with a load capacity of 1 to 30 tons, brakes or without brakes.** It's possible to provide axles with finish paint.

In more to realize your axles made to measure, Colaert Essieux has a lot of possibilities of personalization. It's possible to choose the slack-adjuster or automatic slack-adjuster, to install an ABS devise, to choose the kind of the braking system (hydraulic or pneumatic) or again to set up various support or parts...
